PEDIATRIC NURSING  
CERTIFICATION BOARD

---

**Certification Data Policy**

In accordance with accreditation standards, it is the policy of the PNCB to make certification data available, in aggregate, to inform candidates about exam pass rates, for purposes of research, advancing the profession, and supporting other causes including legislative initiatives to strengthen the role of the pediatric nurse professional. PNCB also provides aggregate data to employers participating in the No Pass No Pay Program and PNP educational programs for their internal use.

Instructions to make a request for data not posted may be found on the PNCB web site.
