Sidra Medicine Earns Inaugural Pediatric Nursing Certification Board Activate Workforce Leader Designation

Rockville, MD (August 7, 2026) — The Pediatric Nursing Certification Board (PNCB) is pleased to announce that Sidra Medicine (Qatar) has achieved the inaugural Activate Workforce Leader designation. This recognition celebrates Sidra's commitment to advancing pediatric nursing knowledge and improving patient care through professional development. With more than 25 nurses successfully completing a PNCB Activate certificate or microcredential program, Sidra Medicine has demonstrated an outstanding investment in developing a highly skilled pediatric workforce and fostering a culture of lifelong learning.

"PNCB is grateful for Sidra Medicine's enthusiasm for the Activate programs," shared Margaret "Maggie" F. Jones, Vice President of Certification Services and Global Relations, "Their support has been instrumental in helping PNCB expand innovative learning opportunities for pediatric nurses internationally, and we are honored to recognize Sidra Medicine's leadership in this important work."

Rami Mchawrab, BSN, MSHCQM, AMB-BC, CAN, CPN, expressed his appreciation for the recognition: "Thank you for this prestigious designation awarded to Sidra Medicine. On behalf of all our PNCB-certified nurses, I would like to express our heartfelt gratitude for your continuous support from the very beginning and to the entire PNCB family for its partnership, encouragement, and commitment to advancing pediatric nursing worldwide."

PNCB will continue to award Activate Workforce Leader designations to organizations that demonstrate a commitment to excellence in pediatric nursing professional development and patient care. Designations include *Workforce Leader* (25 individuals), *Advanced Workforce Leader* (50 individuals), and *Premier Workforce Leader* (100 individuals).

About the Pediatric Nursing Certification Board

PNCB is the largest and most essential organization for the certification, continuing education, and competency development of nursing professionals who provide care for infants, children, adolescents, and young adults. Established in 1975, PNCB certifies more than 57,000 nursing professionals who actively hold at least one of our four credentials: Certified Pediatric Nurse (CPN), Acute Care Pediatric Nurse Practitioner (CPNP-AC), Primary Care Pediatric Nurse Practitioner (CPNP-PC), and Pediatric Primary Care Mental Health Specialist (PMHS). We're passionate about the positive impact our services have on nurses, children, and families. With an annual renewal rate of 96 percent, PNCB-certified nursing professionals are passionate about holding our credentials.
